

Your Safety
Our Commitment

Saboo Cotspin Pvt. Ltd. was incorporated in the year 1999 for manufacture and export of wide range of Personal Protective Equipment (PPE).

Our focus and commitment has seen us evolve into a dedicated PPE-focused company, supplying top-quality, high-performance and durable gloves and workwear to customers across the world.

Our aim is to empower all workers to perform to the best of their ability every day, wearing products manufactured by us. Our product mix broadly comprises of:

1. Knitted Seamless Gloves
2. Leather Gloves
3. Industrial Workwear

We believe in excellent service and products of the highest quality; manufacturing for some of the top brands globally. This ensures that we maintain excellent quality standards and offer faster lead times.

Knitted Gloves

A comprehensive range of Knitted Seamless Gloves for Cut and Heat Protection. Made using different fibers / yarns including Cotton, Polyester, Polyamide, KEVLAR®, Twaron and HPPE, these gloves offer protection ranging from Cut Level 2 to Cut Level 5 as per the latest EN Norms and can be made as per buyers' specifications.

We have fully automatic Shima Seiki Gloves knitting machines with integrated bundling machines.
